### **Tips:**

1. Have scholars go to bed at least 30 minutes earlier than they normally do, so they are well-rested for the assessment.
2. Make sure scholars eat breakfast before coming to school and if they do not have time, instruct them to get breakfast at school. (IAS Breakfast ends at 7:30 a.m.)
3. Get scholars to school each day on time. Scholars will not take the test with their class if the test has started before they arrive to school. Please schedule all appointments outside of testing dates.
4. Scholars should wear comfortable clothes and shoes while taking the test. All scholars should be in IAS uniform. All clothing must be free of words, graphics and logos. (The IAS logo is acceptable)
5. Encourage scholars to relax and show their best work. Assure them that they've been working hard all year and are ready for the assessment.
